

P.I.N. Steering Group Meeting

The P.I.N. Steering group, made up of representatives from the participating Institutes meet on a quarterly basis. The last meeting was held on 13 March at the County Hotel, Walsall.

The main points that were discussed were:

- The rotation of the Chair of P.I.N. – a new Chair would be appointed shortly taking over from Margaret May who had held the position for the past year.
- Feedback on the Identity Theft event and a possible future joint event
- Update on the website – Perfect Arc confirmed that had been 443 visitors to the website in February. The group also discussed ways of keeping the website up to date with continual news items.
- Training will be organised for representatives of each of the institutes involved so that the institutes themselves can update the details of their events on the website. Each of the professional institutes was asked to nominate representatives to attend a training course to be organised soon
- Confirmation of Institutes that had signed up to P.I.N. – CIMA, ACCA, ICAEW, CIPFA, IFS, CIPR, CIM and IoM. Birmingham Law Society would be signing up very shortly. Other interested parties in joining the group are RICS, British Computer Society and Securities Institutes
- Future promotion of P.I.N. – ways of putting together a PR strategy to continually promote P.I.N in the West Midlands.

The next meeting will be held on 12 June.
